

Intellectual Property: A Discussion with a Patent Attorney

Join the discussion with **Vadim Vapnyar**, Partner, Carter, DeLuca & Farrell LLP to learn why intellectual property matters and how IP attorneys collaborate with the Tech Transfer Office to protect and commercialize innovations.

Vadim represents clients in all phases of patent preparation and prosecution, with experience supporting university tech transfer offices, corporations, and startups at multiple stages of growth. His work spans chemical and materials engineering, robotics, medical devices, AI/ML, and computer technologies. He also advises on trademarks, licensing, and other intellectual property matters.

**Monday, November 17th
@ 3:00 PM**

Seminar Location: COB2 290
Contact us for a personalized 30
minute 1x1 meeting with Vadim
